

# QUESTIONS ABOUT TELEHEALTH? WE HAVE ANSWERS.

The **Upper Midwest Telehealth Resource Center (UMTRC)** is your primary contact for telehealth resources in Illinois, Indiana, Michigan, and Ohio. We are one of the 12 regional Telehealth Resource Centers, a federal program dedicated to providing reliable and accurate telehealth information.

We are proud to be a part of the **National Consortium of Telehealth Resource Centers (NCTRC)**. The UMTRC is one of the 12 regional Telehealth Resource Centers (TRCs) that is committed to helping your organization advance telehealth education, overcome barriers, and provide you with resources to meet your telehealth program goals.

## RESOURCE LIBRARY

On the UMTRC website, we host a large library of telehealth resources available to answer all of your telehealth questions and get you connected with resources in your state. It includes everything from reimbursement summaries and legislative updates to telehealth workflows and sample forms.

## ENGAGEMENT HUB

Visit the UMTRC's engagement hub! Here we have links to our podcast, A Virtual View, our monthly blog, our YouTube channel with recorded webinars and more. Whether you're a healthcare provider, policymaker, researcher, or advocate, our multimedia resources offer something for everyone looking to advance access to care through technology.

## EVENTS

The UMTRC hosts a number of different events. Visit our events page to learn about upcoming webinars, exhibiting events throughout the region, online workshops and more.
