Department Name  Telehealth Services  
Date Description Written or Revised  08/2006  
Position Number  8030  
Department Number  86121  
Status  Non-Exempt

Respect- We accept all persons as created in the image of God
Excellence- We focus on high standards of service, performance, and proficiency
Wholeness- We attend to the needs of body, mind, and spirit
Stewardship- We utilize talents and resources in a wise, just, prudent and collaborative manner

Position Summary
In this position, the PHTN Coordinator routinely interacts with physicians, staff, community members and healthcare professionals in the process of planning, providing, promoting and supporting the PHTN and Education Center operations, programs and services.

Essential Duties and Responsibilities

Program Development/Promotion/Marketing
- Develops, implements and monitors a Telehealth marketing plan
- Serves as a liaison to a variety of constituents: hospital outreach programs to integrate services that support their needs; internal hospital departments, physicians and physician practices to identify, develop and promote services and programs; member community relations and marketing departments to promote Network activities and programs; members, partners, and potential members of the Network
- Develops educational program services and implements the regular, consistent delivery of these programs to Network members including, but not limited to, developing and disseminating information regarding programming internal and external events and coordinating the design, printing and publication of all promotional materials for Telehealth programs
- Manages sales channels to communicate to customers the value and features of network. Assists the Clinical Coordinator with promotion of telemedicine services. Assists with the web page and content development of the networks web site.

Event Planning/Customer Relations
- Assists in designing, organizing and coordinating videoconference events at the Education Center.
- Coordinates facilities, catering, signage, displays, translation, audio-visual equipment, printing and security
- Develops strong relationships with key customers both internal and external.
- Identifies, partners with and manages appropriate resources (i.e. vendor relationships, other departments) to ensure all VTC (video teleconference) events meet objectives.
- Evaluates program impact and reassesses objectives and outcomes, planning for continuous improvement.
- Coordinates conference details with the customer through the use VTC request form.
- Reserves network sites/video systems and negotiates pricing for all participating network sites.

General/Administrative
- Assists in planning, budgeting, report writing and development of goals and objectives.
- Assists with the development and implementation of policies, procedures, protocols, surveys and evaluations
